DETAILED ACTION

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel claims 6-11.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Conductive Channel Pseudo Block Process and Circuit to Inhibit Reverse Engineering having an electrically conductive doped channel providing an electrical connection between at least two active areas; a first conductive layer disposed over a first portion of electrically conductive channel; and a second conductive layer disposed over a second portion of electrically conductive channel wherein first and second conductive layers are spaced apart from one another and a third portion of the electrically conductive doped channel between first conductive layer and second conductive layer is uncovered.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
